

**DEPARTMENT OF COMMERCE**  
**QUESTION BANK FOR B COM (Computer Applications &  
Taxation) Semester V**  
**ENVIRONMENT AND HUMAN RIGHTS**

**MODULE I Multidisciplinary nature of environment studies**  
**COI: Develop an idea on the multidisciplinary nature of environmental studies, ecosystem and recognize its resources.**  
**(Apply Level)**

**SECTION A**

1. What is Environment?
2. Summarize soil erosion.
3. Outline the meaning of deforestation.
4. Examine Environment Studies?
5. Explain the objectives of Environment Studies.
6. List Natural Resources?
7. Identify Renewable resources
8. Identify non-renewable resources
9. Identify Water resource.
10. What is water conflict?
11. Explain geothermal energy
12. What is an ecosystem?
13. Compare biotic and abiotic components.
14. What is a food chain?
15. Demonstrate food web.

**SECTION B**

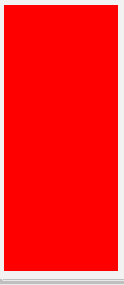

16. Name the different types of natural resources?
17. Show the effects of mining on forest and tribal people?
18. Explain the different sources of alternative energy?
19. Explain the Scope and Importance of Environmental Studies.
20. Summarize the Need of Public Awareness about Environment.
21. What are forest resources? What are its benefits?
22. Identify the effects of deforestation

**SECTION C**

23. Explain the scope and importance of environmental management?
24. List out the needs of food resources?
25. 'The science of Environment studies is a multidisciplinary science' – Explain.
26. Explain the various types of renewable and non-renewable resources.
27. What are natural resources? What are the problems associated with natural resources?
28. Summarize the impact of modern agriculture and over-grazing on the environment.
29. What is meant by alternate sources of energy? Explain briefly the various alternate sources of energy.

**MODULE 2 Biodiversity and its conservation**  
**CO2- Identify the biodiversity of India and its conservation.**  
**(Apply Level)**

**SECTION A**

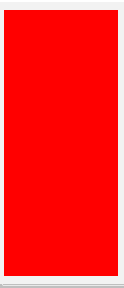

1. Explain disaster Management.
2. Summarize biodiversity and its types.
3. Compare Endemic and Endangered species.
4. Explain Global warming.
5. Define pollution.
6. Summarize Disaster Management.
7. What is Eutrophication?
8. Explain rain water harvesting.
9. What is a mega diverse country?
10. What are bio diversity hotspots?

### **SECTION B**

11. Explain pollution and its types?
12. Show the various global environment issues?
13. What are the local environment issues?
14. Identify the bio diverse hotspots. List the famous bio diverse hotspots.
15. Demonstrate Watershed Management.
16. Summarize the causes of Environmental Pollution?
17. What is air pollution? What are its causes and effects?
18. What is soil pollution? What are its causes and effects?
19. What is air pollution? List out the causes and effects?
20. What is water pollution? Show the causes and effects?
21. Outline thermal pollution and its causes and effects?
22. What is marine pollution? What are its causes and effects?
23. What is noise pollution? What are its causes and effects?
24. Evaluate the causes and effects of acid rains.

### **SECTION C**

25. Examine resettlement and rehabilitation issues.
26. Explain the values of Biodiversity.
27. What is air pollution? What are its causes and effects?
28. Identify the causes and effects of noise pollution?
29. Explain solid waste Management.
30. Summarize the role of individuals in prevention of pollution.
31. Explain the natural disasters and measures to manage them

### **MODULE 3 Recent Developments**

#### **CO3- Scrutinize the recent development in environmental studies. (Analyze Level)**

#### **SECTION A**

1. Examine Green Accounting.
2. What is Green Banking?
3. Analyse Green Marketing.
4. Explain Green washing.
5. What is ecotourism?
6. Outline the term carbon credit.
7. Explain carbon exchange.
8. What is Environmental Audit?
9. Define e-waste

#### **SECTION B**

10. Explain the objectives and scope of Green Accounting
11. Explain the benefits of Green Banking.
12. Examine the advantages of Green Marketing.
13. Examine the challenges in Green Marketing?

14. Explain the Marketing Mix in Green Marketing.
15. Explain the significance of Ecotourism.
16. Analyze the positive and negative impacts of ecotourism.
17. Outline the need for Environmental Audit.
18. Explain the scope of Environmental Audit

### **SECTION C**

19. Explain the advantages and limitations of Green Accounting.
20. Show the steps to be adopted in Green Banking.
21. Examine the need for green marketing.
22. Discover the ecotourism activities popular in India.
23. Analyse the opportunities and challenges of ecotourism

### **MODULE 4 Right to information Act 2005**

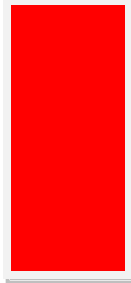

**CO4- Explain the provisions regarding Right to information Act 2005.  
(Evaluate Level)**

#### **SECTION A**

1. Explain Right to Information Act?
2. Who is appropriate government in RTI Act?
3. Who is third party in RTI Act?
4. What is meant by deemed refusal?
5. Define Public Authority

#### **SECTION B**

6. What are the objectives of Right to Information Act?
7. List out the entities treated as Public Authority according to the RTI Act.
8. Who is a competent authority according to RTI Act?
9. What is the procedure for requesting information as per RTI Act?
10. Explain how RTI Act serves customers of banks

11. What are the government departments exempted from RTI Act.

### **SECTION C**

12. Explain the salient features of RTI Act
13. List out the obligations of a public Authority according to RTI Act.
14. Explain the procedure for first appeal under RTI Act.
15. What are the grounds on which information sought under the RTI Act can be rejected?
16. Explain how RTI Act is applicable to government organizations

### **MODULE 5 Human Rights**

**CO5- Build an awareness on human rights and its contribution towards environment. (Create Level)**

### **SECTION A**

1. List out Human Rights.
2. Interpret OHCHR.
3. Explain UNICEF.
4. What is UDHR?
5. Define WHO.
6. What are the legal rights of women?

### **SECTION B**

7. Explain the United Nations declaration for women.
8. What is the United Nations declaration for children.
9. Discuss the Human Rights in India.
10. Explain the Constitutional Mechanism for the upliftment of SC, ST and other backward classes in India.
11. Discuss the rights of minorities in the Indian Constitution

**SECTION C**

12. Determine the three generations of Human Rights.
13. Discuss the Role of UN in promoting and protecting human rights
14. What is Universal Declaration of Human Rights?
15. Discuss the rights to women in the Indian Constitution.
16. Evaluate the directive principles of state policy and Human rights?
17. Examine the human rights of children and women?
18. Explain National Human Rights Commission of India functions?
