

GENERAL PROGRAMMES

SAINTGITS COLLEGE OF ENGINEERING PATHAMUTTOM

Approved by AICTE and affiliated to

Mahatma Gandhi University & APJ Abdul Kalam Kerala Technological University

Volume 6 • Annual News Letter • May 2016

National Board of Accreditation has accredited the following B.Tech programmes for a duration of two years.

- Civil Engineering
- Computer Science and Engineering
- Electronics and Communication Engineering
- Electrical and Electronics Engineering
- Mechanical Engineering

IE (I) Accreditation for B. Tech

Institution of Engineers (India) accredited six U G Programmes.

ICETTAS 2015

An International Conference on Emerging Trends in Technology and Applied Sciences ICETTAS15 was organized by Saintgits College of Engineering from 30th April to 2nd May 2015. Dr Lloyd B. Eldred, Senior Scientist, NASA Langley Research Centre, USA, inaugurated ICETTAS 2015. Dr. Manoranjan Dash (Senior Scientist, Institute for Infocomm Research, Singapore), Dr. N.E. Shanmugam, (Professor, Kebangsaan University Malaysia), Dr. G.R. Dodagoudar (Professor, IIT Madras) and Dr. Mini Shaji Thomas (Professor, Jamia Milia Islamia, New Delhi) jointly released Conference Proceedings.

Sri. T K Jose IAS, Chairman, Coconut Development Board inaugurated Srishti 2016.

Srishti 2016

A National Level Technical Project Exhibition & Competition 'Srishti 2016' for engineering colleges was organised by SAINTGITS College of Engineering on 27th and 28th January 2016, in association with National Instruments India, Entrepreneurship Development Institute of India (EDII), Startup Mission, Saintgits Industrial Research Centre (SIRC) and Saintgits Centre for Innovation and Entrepreneurship (SCIE).

Former ISRO Chairman Dr. G. Madhavan Nair presented the award to the winners during the valedictory function. The Best Innovation Award of Rs. 1 lakh was bagged by Kongu Engineering College, Erode, Tamil Nadu, for their Multipurpose Harvester. Students with more than 650 projects from leading institutions from over 15 states across the country, displayed their modern technical innovations at Srishti 2016.

Students Rewarded by Startup Initiative of Govt of Kerala

Government of Kerala along with Startup village has selected Two teams from Saintgits among 21 teams from all over Kerala as a part of promoting Innovation and Entrepreneurship. Chief Minister of Kerala presented the team members with Startup boxes.

Students Project under SMART Kottayam rewarded

Students of Saintgits College of Engineering proposed novel idea in Student Movement for Activating Regional Transformation (SMART) Project initiated by District Collectorate in association Confederation of Indian Industry (CII). The Project titled 'Safety Ensured Efficient Zebra Lines' developed by Sachin Paloothanam and Princy Elsa Philip selected for implementation in Ettumanoor Junction.

Graduation Day

The Tenth Graduation day of SAINTGITS Group of Professional Institutions was celebrated to honour the outgoing students of Tenth batch of B. Tech, Ninth batch of MCA, Eighth batch of MBA and Ninth batch of B. Com on 12th June 2015. This august function was inaugurated by Prof. Yoshiharu Mutoh, Executive Director & Vice-President, Nagaoka University of Technology, Japan

GENERAL PROGRAMMES

Saint Gregorios Commemorative Lecture

Most Rev. Dr. Philipose Mar Chrysostom inaugurated Saint Gregorios Commemorative Lectures on value education on 29th October 2015. Rev. Fr. Dr. T J Joshua delivered the first lecture of the series.

National Virtual Lab usage award

Saintgits College of Engineering secured Second Rank in Virtual Lab usage, during National Nodal Centre Conference (NNCC 2016) on 6th May 2016. Virtual Lab is a project initiated by the MHRD, Govt. of India, under the National Mission on Education through Information and Communication Technology

PTA General Body

The 12th Annual General Body Meeting of SAINTGITS Parent Teacher Association was held on 7th June 2014. P. T. A President Mr. Shibu Oommen P presided over the function. Rev. Dr. T J Thomas, renowned Psychologist and Councilor delivered the key note address.

Visit by Australian Minister

Ms. Joy Burc, Minister for Education & Training, Government of Australia, Saintgits campus. Ms. Leanne Cover, CEO Canberra Institute of Technology, Ms Jayne Miller, Mr Marc Emersson and Dr. Nawaz of Canberra Institute of Technology also spoke on the occasion.

Saintgits College of Engineering selected as Best College (Partner) Quality Enhancement in Engineering Education (QEEE-5) under Ministry of Human Resources and Development (MHRD), Government of India.

Computer Centre for Govt LP School

Saintgits College of Engineering installed Computer Centre at Govt LP School Pathamattom. Sri. Thiruvanchoor Radhakrishnan, Minister for Revenue & Transport, inaugurated the centre during the Golden Jubilee celebrations of the school on 19th March 2016.

'TECHFEST 2015'

SAINTGITS All-college Technical Festival, 'TECHFEST 2015' was inaugurated by Retired Commander Vinod Shankar, Air Space General Manager of Brahmos on 31st July 2015. More than 70 technical competitions like Technical Quiz, Paper Presentation, Project Presentation, Robo War, Engine Assembly, Race Track, Tech Hunt, Town Planning, Suspension Bridge, Gadget Design, Best Manager, Web Designing, Coding, Movie Making etc served as platforms to exhibit their quality and excellence. More than 2000 students, contested from the different Engineering Colleges, both inside and outside Kerala

Inauguration of Innovation Lab

Dr. Kuncheria P Isaac, Vice Chancellor, APJ Abdul Kalam Kerala Technological University, inaugurated the Innovation Lab initiated by Saintgits Centre for Innovation & Entrepreneurship (SCIE) on 11th September 2015.

SAINTGITS ROBOTICS CHAMPIONSHIP 2016

The students from 23 schools have participated in Robotics Championship on Jan 27th and 28th. The winners of SAINTGITS ROBOTICS CHAMPIONSHIP 2016 were Mar Baselios Public School, Kottayam, Kristjyothi H S S, Chethipuzha and BMM English Medium Senior Secondary School, Pampady

MASTER OF COMPUTER APPLICATIONS (MCA)

INSIGHT 15

A project competition for MCA, BCA and B.Sc Computer Science students was conducted by the department on 27/11/2015. Prizes were given in the PG and UG category.

RADIEUX 7.0

Inter Collegiate IT Fest RADIEUX 7.0, a National Level Inter Collegiate Technical Extravaganza was organized by MCA @ SAINTGITS on 31st June & 1st July, 2015. The theme of RADIEUX 7.0 was 'Robotics'. The fest was a grand success with more than 200 participants from various colleges throughout the state.

Add on Course

- EMBEDDED SYSTEMS for S1 (2015-2018) students from 29-02-2016 to 09-03-2016. The sessions were handled by faculty from Silicon Technologies, Kochi.
- 'DOT NET' for S3 (2014-2017) students from 14.12.2015 to 18.12.2015. The sessions were handled by Mr. Abin T Abraham and Ms. Sandhya S Pillai, Asst. Professors of Dept. of Computer Applications
- 'ADVANCED JAVA' for S4 (2013-2016) students from 26.10.2015 to 03.11.2015. The sessions were handled by experts from Faith Infosys, Changanacherry

FDP

Department of Computer Applications organized a workshop on 11th February, 2016 for faculty members on iOS Developer university program, OSX security and productivity apps. The FDP was taken by Mr. Deenu Mathew, Regional Business Manager, Apple India Private Limited, Bangalore.

An HTML workshop was conducted on 4th July, 2015 for S4 (2013-2016) batch. The sessions were handled by Mr. Abin T Abraham, Asst. Professor, Dept. of Computer Applications.

Orientation Programs

A get together and orientation program for S1 MCA (2015-2018) students was arranged on 11.08.2015 & 12.08.2015 at MOC Retreat centre, Rubber Board, Kottayam. Two-day Orientation Program was organized for the first year Lateral students of 2015- 2017 batch on 17.08.2015 & 18.08.2015. It was conducted at MOC Retreat centre, Rubber Board, Kottayam

Industry-Academia

An interactive session by Mr. A. Balakrishnan, Managing Director, Geojith Technologies with faculty members of the department was arranged on 26-02-2016.

Invited Talk

A talk for S3 MCA and S3LMCA was conducted on 03.03.16 by Mr. Hari S, Senior member (E & R), Infosys, Thiruvananthapuram

Industrial Visit

One day Industrial visit to UST Global, Infopark, Cochin arranged for S3 Lateral MCA students (2015- 2017) on 17.03.2016

SMART Activities

- Inauguration Activities of SMART (Saintgits MCA Association of Radiant Talents) for the academic year 2015-2016 was inaugurated on 17th June, 2015 by Dr. M C Philipose, Principal, Saintgits College Of Engineering.
- A Tech Debate was conducted on 26th July, 2015 for the students of MCA.
- Cultural programs were conducted by the music & dance club on 2nd July, 2015. (Fig. 4)
- A seminar on "Free and open source software" was conducted on Wednesday, 17th June 2015 by Mr. Shajan Joseph, Associate Professor, Dept. of Computer Applications.

Onam Celebration

Onam celebration was organized by the department on 21/08/2015. Different competitions like Kerala Sreeman, Malayali Manka, Onapattu and Thiruvathira were arranged for students.

Music Club

Staff Achievements

Biku Abraham, Professor & Head, Dept. of Computer Applications was awarded Ph.D from Anna University, Chennai

SAMYUKHTA

A get together of all batches of MCA students was organized on 04/09/2015. Students performed different cultural activities and had a grand lunch.

Alumni interaction

- Mr. Manu Bright of MCA 2004 - 2007 interacted with S5 MCA students on 04.03.2016. He shared his experiences in software companies. He is currently working as an IT consultant.
- Ms. Sruthy Abraham of MCA 2012 -2015 interacted with S5 on 16.01.16 and she described the training procedures at UST, Trivandrum. She motivated the students to learn beyond the syllabus.

During her interaction, she spoke about the significance of the MCA Course, importance of Lab and how to prepare for university examinations. She gave tips on how to get good placements.

Student interaction with outside world

As part of knowledge sharing, five students from S3 (2014- 2017) conducted a session on 'ASP.Net' on 25th February, 2016 at Bishop Speechly College.

Inter batch seminar

Mr. Stanley Thomas of S1 (2015- 2018) handled a session on 'Windows 10 and latest Microsoft Products' for S3 Lateral MCA (2015- 2017). Mr. Aravind G, Mr. Manu Krishnan, Ms. Steffy Stacey Tomy and Ms. Aagsa Ann of S3

Student Achievements

Mr. Deepak Nair of 2015-2018 got A grade for western vocal solo in MG University Youth Festival 2016. Students of S5 and S3 won overall trophy from IT fest conducted by Kristu Jyothi College, Changanacherry and MACFAST, Thiruvalla.

Rajesh K.S., Associate Professor, Dept. of Computer Applications was awarded Ph.D from Dravidian University, Kuppam, Andhra Pradesh.

SFERICS 2015

Department holds Best LabVIEW academy award

Dr. M. C. Philipose, Principal of Saintgits College of Engineering and Dr. P S Godwin Wnand, HOD AEI receiving the best LabVIEW Academy award from Mr. Jayaram Pallai, Managing Director, National Instruments(India, Russia, Arabia) at NI Days-2015 held at Bangalore

The Applied Electronics and Instrumentation Engineering Department of SAINTGITS College of Engineering in association with INTERIA (AE&I students association) and International Society of Automation (ISA) conducted its Seventh National Level Technical Symposium SFERICS 2015 on 31st July 2015 and 1st August 2015. The function was inaugurated by Commander(Rtd) VinodSankar, General Manager, BrahMos Aerospace, Thiruvananthapuram. The SFERICS 2015 had six events namely Robowar, Star of Sferics, Paper Presentation, Gadget Designing, Tech Hunt and Tech Quiz. The total number of participants were 430, The staff co-ordinator of SFERICS was Asst. Prof. SitaRadhakrishnan and student co-ordinators were Mr. Haven George, Miss. Keerthy John and Mr. Salu Alex.

Best Technical Stall Award in SRISHTI 2016

Department of Applied Electronics and Instrumentation scored BEST TECHNICAL STALL AWARD for the consecutive second time in SRISHTI 2016, National level technical symposium conducting in every year by Saintgits College of Engineering.

Students Projects Achivements

Sl. No.	Name of Students	Project Title	Prize	Host	Event

			2	College of Engineering, Adoor	AAROH 16

- Sachin Paloothanam of sixth semester reached FINAL Round of SMART KOTTAYAM Project Competition conducted by Collectorate of Kottayam
- Jincy Mary George of sixth semester won First Prize in Analog Circuit Maker Contest held by Texas Instruments
- Aleena Reji of sixth semester won First Prize in Best Electronics Engineer Contest of FOTIOS-2K16 held by Carmal Engineering College, Pathanamthitta.
- Maria Grace Augustine of First semester won First Prize in MY BIG IDEA Competition-Edition 4 conducted by SCIE of SAINTGITS College of Engineering College.
- Eldos Kurien Varkey, Jubin Jacob and Roney J Varughese of First semester won First Prize in ROBOWAR Competition of YVIDH 2016 held at St. Thomas College Of Engineering & Technology, Chengannur.

Faculty Achievements

- Ms. Starlet Ben Alex got PhD under APJ Abdul Kalam Kerala Technological University
- Ms. Kavya V R got PhD in National Institute of Technology, Calicut.

Student Achievements

- Tom Joe of seventh semester got qualified in GATE 2016
- Shilpa Abraham Varughese of seventh semester got qualified in MAT 2016

- Ronald Joseph of sixth semester was a member of college Theme Show Team that won First Prize in SWASTIKA 16 of MBC Peerumedu, Second Prize in YAGNA DHURVA 16 of LBS Trivandrum, Second Prize in RAGAM 16 of NIT Calicut, Third Prize in LUMIERE 16 of College of Engg Kidangoor and Third Prize in FOTIOS2K16 of Carmel Engg College Pathanamthitta.

DEPARTMENT OF CIVIL ENGINEERING

ETERNIA 2015

A National level technical fest of Department of Civil Engineering ETERNIA 2015 organised by ACES (Association of Civil Engineering Students) was conducted on 31st July and 1st August, 2015. 11 Events were conducted.

Add on Course

- 'MS Office' for S3 students from 6/07/2015 to 10/7/2015. The sessions were handled by Pavan Kumar C, Nirmal John Joy, Nimiya Rose Joshua, Pinky Merin Philip, Asst. Professors of Dept. of Civil Engineering.
- On 'Autocad 3D and 3D Max' for S5 students from 6/07/2015 to 10/7/2015. The sessions were handled by Vivek Philip,
- Sanju Mary Sobichen, Bennet A Ipe, Asst. Professors of Dept. of Civil Engineering.
- 'Business Plan Development' was conducted for S7 (2012-2016) students from 6/07/2015 to 10/7/2015. The sessions were handled by Ajesh K Kottupillil, Gopika Moorthy, Lakshmi. P. Sinan Nizar, Asst. Professors of Dept. of Civil Engineering.

Staff Achievements

Nirmal John Joy, Assistant Professor, was awarded AISAT-IGS Award for one of the best five Geotechnical engineering Thesis works.

Paper presentation competition

Technical Talk

Prize distribution to the winners

Seminar presented by Cadd Centre

WORKSHOP ON "BUILD YOUR BRIDGE IN JUST TWO DAYS"

Department has conducted a workshop on "Build your Bridge in just 2 days", as part of India's Biggest Civil Championship, 2016 (IBCC, 2016) in association with ARK Techno solutions, IIT Madras and ACES on September 19th and 20th, 2015. 2 groups were selected for participating in the grand finale of IBCC 2016 at IIT Madras.

FDP

Department in association with IIT Bombay organized a two-week ISTE STTP on "Environmental Studies" under the National Mission on Education through ICT (MHRD, Government of India) from 2nd June to 12th June 2015

Professional Bodies

Institution of Engineers (IE) Student chapter of Civil Engineering

- A quiz competition was conducted on 14th March 2016
- A paper presentation contest as part of the World Water Day celebration on 22nd March 2016.
- A technical talk on the topic 'Environmental Impact Assessment' (EIA) for CE students (S8 & S6) on 22nd April 2016.
- A mix design competition for on 29th of May 2016.

Indian Concrete Institute (ICI) student chapter

- Indian Concrete Institute, Kochi Centre had conducted the 3rd Intercollegiate Quiz competition Crescere'15 for student members at Saintgits on 1st October 2015.

ISTE

- A seminar on the various softwares used in civil engineering which was presented by CADD Centre on 8th December 2015.

Invited Talks

Technical talk was arranged on 24th July 2015 by Er. Raghu Kumar.C (Asst Professor, Government Engineering College Wayyanad) on "Civil engineering-Philosophy, Theory and Practice"

Student Achievements

- Sneha Rachel Cherian, Rohita Rachel Eapen, Swathy S and Namitha Sosa Jacob are placed in Infosys.
- Smruthi Raj, Vishnu Vijayappan and Bharath Varma qualified in GATE 2016
- Arun Issac Varghese got A grade for Monoact in M.G University Youth Festival "SAPARYA 2016"
- Appu Kurian Thomas, Francis P Mathew, Vishnu Vijayappan Secured First prize in Survey Hunt at CET, March 2016.
- Megha Alex, Asha Mariam Thomas, Neena Susanna Thomas Secured First prize in Artifex at RIT, March 2016
- Soumya Rose Shaji, Aswathy C M, Francis P Mathew and Vishnu Vijayappan secured best Civil Engineering Award in Srishti 2016.

Mix Design competition

Jyothirgamaya CSE Program

Jyothirgamaya - Enlightening IT, a Social initiative program was conducted by 2012-2016 Batch of CSE under the guidance and support of Dr.Ramani Bai V, Er. Justin Mathew, Er.Tibin Thomas, Er.Vipin Das, Er.Tina Susan Thomas for the students of Govt.L.P. School, Pathamuttom.

The ACM Student Chapter was launched in this academic year 2015-2016. In association with ACM, two days workshop was conducted on "Cloud Computing" by Mr. Manish Kumar (Neuromancers), IIT Bhubaneswar in association with IFC3 India on 4th and 5th December 2015.

A software (Academic Management System) developed by Er.Tibin Thomas has been deployed in the year 2015-2016 for all departments in the institution, academic administrations such as attendance recording & reporting, marks recording and reporting, consolidated reports and logins to parents and students are provided.

CSI student chapter has organised a two days workshop on "Cyber Security" by Mr Krishna Sharma of Cyberx Securities on October 26th and 27th of 2015 for S3, S5 and S7

The annual techno cultural fest of Computer Science Department ASCEND 2015 was inaugurated by Mr. Santhosh Kurup, CEO, ICT Academy of Kerala on 31st July 2015 and delivered a talk on "Digital India".

A two days workshop on "Introduction to interactive programming in Python" by Er,Reni K Cherian, Er. Veena A Kumar, Er. Milash M Fuvad to students and faculty members on 9th,10th July 2015 in association with CSI.

A webinar on Engineered-in-India by Mr. Gopikrishnan(ICT Academy) for S6 and S4 CSE students on 10th February 2016.

A two days workshop on "Big Data Analytics- Industry & Research" by Dr Syed Ibrahim (Head of Data Analytics Research Group) VIT Chennai Campus on 18th , 19th March 2016 was conducted in association with ACM.

The two weeks workshop on "Mobile Apps using Android" was conducted for S6 CSE students in association with ACM.

Programs

- A talk was delivered by Er.Elizabeth Shaji Philip(2011-2015 batch) on Career Orientation to students of Computer Science Department in 20th February 2016.
- Under QEEE program, 4 courses were offered to students- Object Oriented Design using UML, Syntax Directed Translation- Compiler Design, Information Security and Cryptography, and Statistics and Probability Distribution - Engineering Mathematics.
- A webinar on " Security issues in Cloud Computing" by Subrahmanya Rao of CTS on 29th January 2016
- A webinar on " Data Visualization Techniques" by Saravanakumar of CTS on 29th January 2016

A technical talk was delivered by Mr.Ganesh Iyer(Manager, IBS Trivandrum) on Career Guidance for S6 CSE students on 20th February 2016 in association with ISTE.

Staff Achievements

Anju Pratap,
Associate Professor was awarded Ph.D from Anna Unniversity, Chennai in July 2015.

Two Batches of S8 CSE - Team Zemafor (Sandra Susan Shaji, Teddy Zachariah, Nakendra Kumar, Midhun R Kurup and Ananthu B) and Team Startraise(Melvin K Mathew, Sherin Antony, Geethu Mathew, Miriam Thomas and Suja Cherian) were shortlisted for the Fintech Box Program conducted by Startup Village in association with KSUM and they successfully completed a six months Online Entrepreneurship Programme for first- time founders by SV.CO.

Student Achievements

- Justin Babu and Thomas Paul of S8 CSE developed an App named My Big Idea which was launched by KTU Vice Chancellor.
- Tobin P C, Varghese Chacko, Sruthimol T A and Nisha Mariam Jacob of S8 CSE won First Prize in "Project Expo" held in connection with "AAVUISHKAR 16", a National level Technical fest, conducted at Holy Kings College of Engineering and Technology.
- Ashish Anil Abraham, Divya Siby, Melvin K Mathew and Vishnu Sankar from S8 CSE got qualified in the GATE 2016 Examination.
- Wineeta P Babu, Nitu Elsa John, Reshma Mohandas, Tony M S of S6 CSE participated in ROBO-ZEST '16 held at IIT Kharagpur in March 2016.
- Jerin Joseph, Joe Abraham, Vishnu Viswanathan of S6 CSE has won First prize in "HACKATHON- Start-o-Sphere" held at IIM, Kozhikode in September 2015.

DEPARTMENT OF ELECTRICAL AND ELECTRONICS ENGINEERING

Tibin Tom Varghese, Arjun Prasad and Taniya Varghese of S8 EEE (2012-2016 batch) won the Best Technology for Rural development Award in SHRISTI 2016 (Rs.12,000/-) for their project titled "Palm Tree Harvester" guided by Er. Emil Ninan Skariah

Technical talk was conducted for EEE students on "Starts Up and qualities for a successful Entrepreneur" by Mr. Joseph T.C., Xrevel Technologies on 29/9/15.

A Social Awareness Programme by first year EEE students on "Energy Conservation" was conducted in Panichkud Panchayat

A Technical talk by icad (Authorized trainers in AUTO CAD) on "Introduction to Auto CAD Electrical and Autodesk Certification" was organized on 15.10.2015

An external Talk for M.tech students on "Particle Swarm Optimization" by Dr. Sasidaran Sreedharan, HOD, Electrical and Electronics Engineering Department, GEC,Thrissur on 21/11/15

As a part of "National Energy Conservation day" in association with KSEBEA, IE(I), IEEE-IAS SB chapter, MoU signed between Department of EEE and KSEBEA which is meant for technical as well as social collaboration on 14/12/15

Er.A.Saifuddin (Former Dy.Chief Engineer & Principal of PETARC,KSEB) delivered a talk on "Conservation- the way of life for future".

Department level paper presentation competition on the topic "Re-Engineering Challenges and Solutions" was held under the banner of IE(I) students' chapter on 15/3/16

An EXTERNAL TALK on "How to become an Entrepreneur" was delivered by Mr. Fabin Jose, Managing partner and creative head Mutant Carrot Branding and Promotions", Cochin under the banner of IE(I) students' chapter on 15/3/16

"LAUREATE 2016"-Merit Day of EEE was celebrated. To congratulate meritorious students.

Department alumni meet was conducted

A Technical Talk was delivered by Mr.Binosh K Philip Assistant Manager, Energy Products Division, Raychem RPG(P)Ltd, Kerala Region on 17/9/15.The topic was "Challenges faced by Indian Utilities and recent trends in Electrical Industry."

STAFF ACHIEVEMENTS

- Er.Fossy Mary Chacko got Phd admission at RIT,Pampady.
- Er.Abraham George presented a paper titled "Gate All Around Nanowire TFET with High ON/OFF Current ratio" in ICEMS 2016, an International conference organized by Jaipur National University from 17th to 19th March 2016

Add on course for S5EEE-The topic based on SCADA and PLC .The classes was handled by Yokogawa, Bangalore.

Add on course for S3EEE- The topic was "Electronic Circuit Design". The classes was handled by Dr.K.P.Zacharia, Er.Vinu Koshy Abraham and Er.Abraham George.

STUDENTS ACHIEVEMENTS

- Ajin George Reji, Alwin Tom, Aswin D, Nirmal V Daniel, Gison C Andrews and Nidhin Madhusudanan of S6 EE (2013-17) has obtained First Prize in the Robotic championship (ROBO-ZEST'16) conducted by RoboSpecies Technologies Private Limited at IIT Kharagpur.
- Alwin Tom and Vineet.S of S6 EEE (2013-2017 Batch) won First Prize in College level Quiz Competition conducted Student Branch Chapter of Institution of Engineer's India (IE(I)) as part of Engineer's Day Quiz Competition on 18/9/2015 at Saintgits College of Engineering.
- Ms.Pooja Maria James of S4 M.Tech (2013-15 Batch) got "BEST PAPER AWARD" for the paper titled "Comparative Study of an Efficient Cascaded Inverter with Different Loads" on the 3rd International Conference on Advanced Computing and Communication Systems (ICACCS 2016) held during 22-23 January 2016.
- Chriss John and Denil Roy Joshua of S6 EEE (2013-2017 Batch) secured First Prize in District Level Seminar Competition organized by KSEB ENGINEER'S ASSOCIATION at Saintgits College Of Engineering on 21/1/2016.
- Sherin Tom, Ansu Thomas and Ganesh M of 2011-2015 M.tech Power Systems secured first, second and third rank respectively from the M.G university.

DEPARTMENT OF ELECTRONICS AND COMMUNICATION ENGINEERING

The project titled "Digital Vehicle Identification" won the Best Electronics Project award in the inter-collegiate project competition - SRISHTI 2016 held at SAINTGITS College of Engineering. The project was implemented by Chris Rachel Shaji, Emy Susan Rajan, Jibin .K John, Mobin Daniel and is guided by Er. Rekha Subash.

The third conference on Solid State

Circuits was organized on the 13th and 14th of August 2015 by the SAINTGITS IEEE SSCS students' chapter. The Conference was inaugurated by Dr. M. Jagadesh Kumar, NXP (Philips) Chair Professor, IIT Delhi. Following the inauguration, the distinguished guest gave a talk on the topic, "Nano-scale transistors for energy efficient ICs"

Merit Day 16

Department of Electronics and Communication Engineering celebrated the Merit Day of 2015-2016 academic year on 21-04-2016. Mr. Thomas T. John, Director, SAINGITS College of Engineering was the president of the function. Students of various classes were appreciated for their excellence in various curricular and co-curricular activities with prizes and certificates.

HORIZON 2K15

The technical fest of the Electronics and Communication Department in association with ASGEC (Association of SAINTGITS Electronics and Communication students) was held on 31st July and 1st August. The activities of ASGEC for the year 2015-2016 was inaugurated on 31/08/2015, followed by the technical fest HORIZON 2K15.

A technical Talk on 'Biometrics' was arranged on 17/3/16 for all students of ECE. The session was handled by Dr. Anzar S M, Assoc Prof, MES college of Engg, Kuttippuram.

Staff Achievements

Asso. Prof. Pradeep C received his Ph.D in Information and Communication Engineering (VLSI) from Anna University, Chennai

Asso. Prof. Binu K Mathew received his Ph.D in Information and Communication Engineering (VLSI) from Anna University, Chennai

- A technical Talk on 'Application of Image Processing' was arranged on 12/8/15 for S5 ECE students. The session was handled by Dr. Deepa J, Assoc Prof, MES college of engg IHRD, Chenganur.
- A technical Talk on 'Introduction to mobile communication' was arranged on 24/7/15 for S7 ECE students. The session was handled by Er. Sudheesh A N, BSNL Kottayam.

Soldering Competition

The Electronics and Communication Engineering Division of IE(I) chapter conducted a soldering competition on 06th April 2016

IE(I) Students Chapter Paper Presentation Competition

The Electronics and Communication Engineering Division conducted a paper presentation competition on 08th April 2016. The judges were Dr. K P Zachariah and Dr. Binu K Mathew of ECE department.

QUIZ Competition

An Intra college quiz competition was conducted by ISF - SAINTGITS in association with Department of ECE on 12th and 13th August 2015

Tutorial Session on "Introduction to Arduino"

The IETE Students Forum in association with Association of Electronics & Communication engineering (ASGEC) organized a tutorial session on "Introduction to Arduino" to S3 ECE students on 30th September 2015.

Held on 13th April '16 for departmental annual prize distribution & recognizing meritorious students.

BAJA 2016

25 students from Mechanical Engineering department had designed and fabricated an all terrain vehicle (ATV) and participated final round of a national level race at Pithampur, M.P. on 16th to 23rd February 2016. Team name is "STRIDERZ". Faculty advisors are Er. Francis Augustin Joseph and Er. Bibin Varkey.

ME department had organized the National Level Intercollegiate Department Technical Fest on 31st July & 1st August, 2015.

Innovative Digital Lock created by Saintgits Alumni Mr. Joseph & Mr. Biju from the first batch of ECE has been implemented on the Principal's Cabin door

Here is a message from Joseph to all Gitsians.

"My name is Joseph and I graduated with the first batch of Saintgits College in ECE 2002 - 2006. It's almost 10 years now since we left college and I have been fortunate to build my career in embedded technology across Europe, Taiwan, Japan and India. I am writing this email to introduce APSO, the first modular smart lock in the world for home owners. APSO - is a product developed by our company XRevol, founded by Biju Jacob and me. Biju was my classmate here in first ECE batch of Saintgits. Biju has worked in programming and data analytics and now leads the company from Bay Area, California, USA.

We are among the first, if not the first enterprises founded by Saintgits Alumni. Do see below an introduction video to our founding team, product and beta installs we have done in US and India.
